---

### PROFILE

With over 30 feature films and 25 years of experience, I am internationally recognised for my ability to handle both small independent projects and large budget action projects. I am known for my unique photographic style which is expressionistic without being theatrical.

After many years as a cinematographer, in 2024 I will begin pre-production on my first feature film « GRAVE » as a director.

### AWARDS

#### **Nomination for best cinematography**
